

FAIR PARKING LOTS FELDKIRCHEN EAST

Exhibition Centre Parking Lots Feldkirchen East, Germany

Project period
2009

Construction cost
500 000 € approx.

Services provided

Development concept and traffic engineering assessment for the connection of parking facilities to the existing M1 facility

Technical details

For the BAUMA 2010 trade fair, the possibilities of connecting a temporary parking facility (2 200 parking spaces) to the M1 are to be investigated and surveyed and dimensioned by means of traffic simulation.
